NGRL Fine Free Progress Report

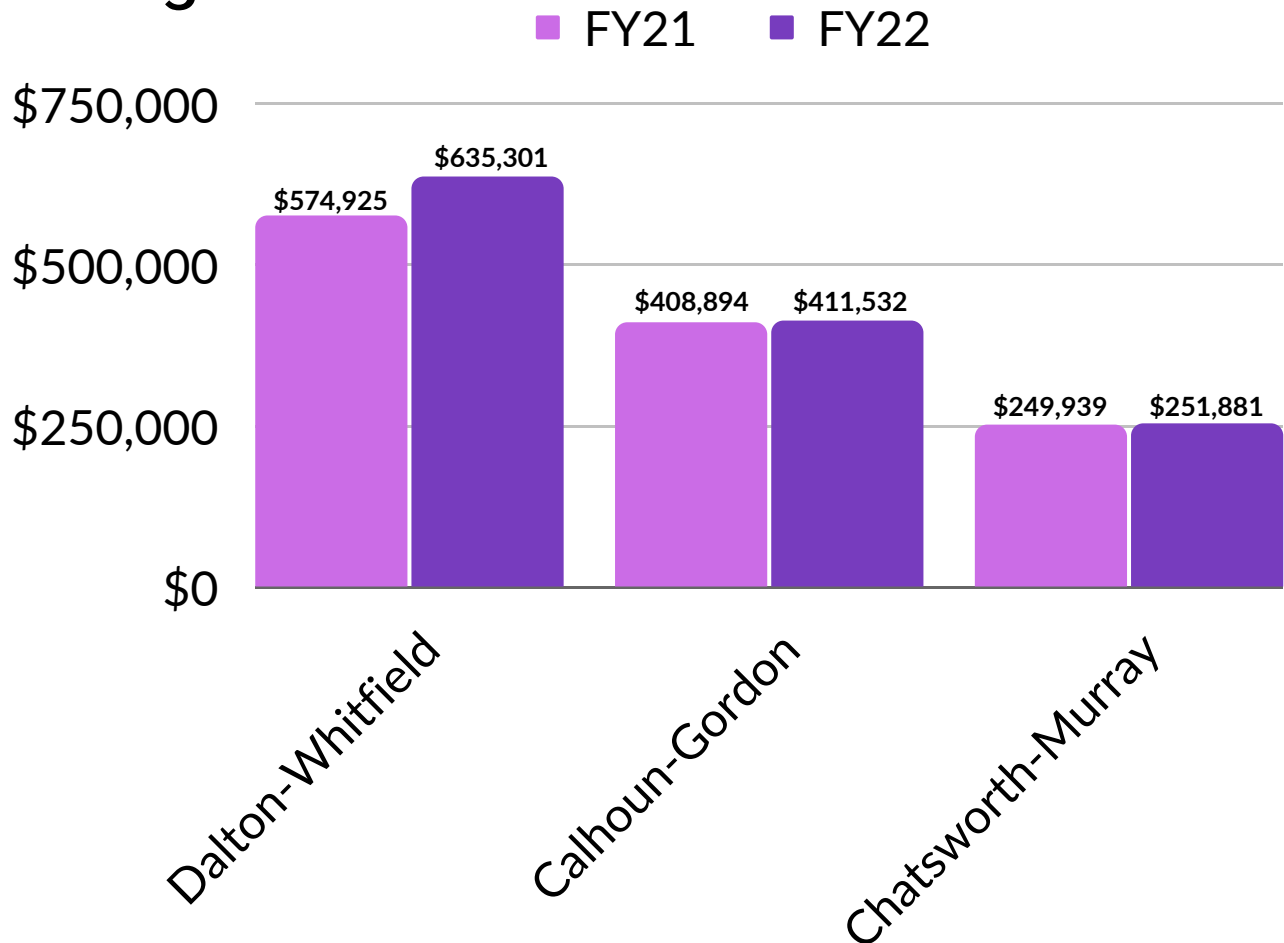

Start Date: 8/11/2021 End Date: 9/16/2023

Project Notes:

The project is run concurrently with a PLAY Card Enrollment project with a city school system located near the HQ branch. This may account for some statistical changes.

This project began during our reopening from the COVID shutdown. In 2021, all NGRL branches had temporarily suspended all payments, fines, and fees to help mitigate economic hardships for patrons.
