Evergreen Development Update

Bug Squashing Week: July 25-29, 2022

PINES Staff Who Contributed Code, Documentation, or Testing:
- Dawn Dale, Elaine Hardy, Tiffany Little, Terran McCanna, Susan Morrison, Chris Sharp
- Shula Link from GCHRL and Chrystal Messam from LOPL also participated in testing!

Next Week: September 26-30, 2022 - Testers welcome!

Online account renewal is back in development
- Evergreen 3.9 has been released and has several new features we’ll need to test to see if they will work for PINES or not:
  - Custom Cover Image Uploader
  - Customizable Staff Portal

Thank you!

Any questions?

AI 1: Change to Equipment Circ Mod

Goal: Create a 14-day circulation duration option for local equipment.

![Circle chart showing 95% for no change and 5% for change to 3-7-14]
AI 1: Change to Equipment Circ Mod
Current Usage for equipment-local:
- Short Duration (1 day): 43 items
- Normal Duration (3 days): 80 items
- Long Duration (7 days): 553 items

AI 2: Renew From Due Date
Goal: Use new setting in next Evergreen upgrade to avoid having patrons "lose" days if they renew items 1-3 days early by setting the new due date based on the original due date rather than the renewal date.

AI 3: Library Card Replacement Fee
Goal: Reduce or eliminate the charge to replace library cards.

Thank you!
