PINES

Evergreen Development Update

- **Online account renewal is back in development**
- **Evergreen 3.9 has been released and has several new features we'll need to test to see if they will work for PINES or not:**
  - Custom Cover Image Uploader
  - Customizable Staff Portal
  - More updates and fixes listed at https://evergreen-ils.org/documentation/release/RELEASE_NOTES_3_9.html

16

PINES

AI 1: Change to Equipment Circ Mod

Goal: Create a 14-day circulation duration option for local equipment.

Do you agree that the option to circulate local equipment (restricted to the branch) for 14 days would be beneficial?
46 responses

- Yes — 91.3%
- No — 8.7%
- Not Sure

20

AI 2: Renew From Due Date

Goal: Use new setting in next Evergreen upgrade to avoid having patrons "lose" days if they renew items 1-3 days early by setting the new due date based on the original due date rather than the renewal date.

22

AI 3: Library Card Replacement Fee

If this proposal is approved, which option would you prefer?

57 responses

- Completely eliminate the fee
- Reduce the fee to $1.00
- Allow each library system to set their own replacement fee
- No changes needed. You have the option of not billing for the card or billing for it and forgiving the charge. If you eliminate it as an option, the stati...
